

THE GREATEST
CHRISTMAS BAND OF
ALL TIME

Bad Santa

& the Angry Elves

Bad Santa and The Angry Elves aren't just the greatest Christmas Band of all time, they're the coolest cats in rock history, belting out hits with the ***swagger of seasoned rock gods***. Their ***live shows*** hit ***harder*** than a frozen snowball fight, with lyrics ***sharper*** than a reindeer's antlers and guitar riffs ***hotter*** than chestnuts roasting on an open fire. After being ***permanently banned from the North Pole***, they've set their sights on ***world domination***, spreading Christmas cheer ***all year long***. Imagine a tour that fuses the ***legendary*** stage presence of Bowie, the ***electrifying*** energy of Van Halen, the ***unapologetic style*** of Prince, and the ***rebellious spirit*** of The Ramones, creating a spectacle for the naughty and the nice. Get ready to experience the ***ultimate sonic sleigh ride*** with Bad Santa and The Angry Elves, where every performance is a ***rock 'n' roll blizzard of epic proportions***, filled with in your face festivities, mind blowing visuals, and more ho-ho-ho's than a "Ho House".
